NOTICE TO SELLER

REGARDING THE ATTACHED SELLER'S HOMEOWNERS' ASSOCIATION INFORMATION FORM

Dear Seller,

When your property is subject to a Homeowners' Association (HOA) and you list your property for sale, prospective Buyers are entitled to receive certain information of material importance to help them in making a decision whether to purchase. Key concerns to Buyers are the various HOA fees, what these fees cover, the common area amenities, any restrictions regarding the use of the property, and whether the HOA is involved in any litigation. Additionally, it is important to direct Buyers to the HOA's management company or to an officer of the HOA to obtain answers for any questions they may have.

The attached SELLER'S HOMEOWNERS ASSOCIATION INFORMATION form, when accurately completed, will provide prospective Buyers with a substantial amount of important information and will aid in the sale of your property. Please be aware that your HOA or its management company may charge you an administrative fee to complete this form.

For your protection, it is recommended that you have this form completed by an authorized representative of the Homeowners' Association, not by you, the Seller. Therefore, you should immediately deliver this information form to the proper HOA officer or, if applicable, to the HOA's Management Company when you list your property for sale. Upon return of the completed form, you should promptly forward it to your REALTOR® so that he or she may provide a copy of the itemized information to prospective Buyers for your property.

This does not relieve you, the Seller, from the responsibility of notifying your HOA at the time that you enter into a contract with a purchaser for your property so the HOA can send the other documentation required to be provided to the Buyer pursuant to Arizona Revised Statutes §33-1806.

Thank you for your assistance and cooperation.
