NEIGHBOR AWARENESS

You are required to obtain the signatures of your neighbors who own homes on either side of yours, and the home(s) directly across the street. Merely because a neighbor has consented to the modification or improvements does not mean the Architectural Committee will approve the application. However, in an effort to promote goodwill between neighbors, their signatures are required to indicate that they have been informed of your plans. Support or opposition to your plans may be made by any homeowner in writing to the above address.
